

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Establish  
Policies and Cost Recovery Mechanisms for  
Generation Procurement and Renewable  
Resource Development.

Rulemaking 01-10-024  
(Filed October 25, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING  
SHORTENING REPLY PERIOD**

On February 16, 2006, Sempra Generation (SG), formerly known as Sempra Energy Resources, filed a motion to withdraw its petition to modify Decision (D.) 04-01-050. SG asserts that the relief it requests in its petition was granted by the lifting of the affiliate transactions ban in D.04-12-048, so that its petition is now moot. Therefore, SG motion requests that its petition be withdrawn, and the discussion and proposed resolution set forth in the draft decision mailed February 6, 2006 be struck from the final decision.

Pursuant to Rule 45(f) of the Commission's Rules of Practice and Procedure, SG requests that the 15-day response period to its motion be shortened to seven days, or February 23, 2006, and that SG have an opportunity to file a reply to any comments on February 27, 2006. This ruling grants a shortened comment period to February 28, 2006, with a reply date for SG of March 3, 2006.

Therefore, **IT IS RULED** that the response period to Sempra Generation's February 16, 2006 motion to withdraw its petition to modify Decision 04-01-050 is

shortened to February 28, 2006, and the opportunity for Sempra Generation to reply is March 3, 2006.

Dated February 24, 2006, at San Francisco, California.
